2nd Hands-on Cadaveric Course on Laparoscopic Liver Resection

November 21-22, 2024

Anatomy Center

Alma Mater Studiorum

University of Bologna

RATIONALE

Practical training plays a vital role in surgical education, providing aspiring surgeons with invaluable experience in developing their skills. Particularly in complex surgical procedures, including liver surgery, the opportunity to work with real surgical instruments and interaction with human anatomy have been shown to improve the trainee's understanding and dexterity. Cadavers serve as a wonderful tool for learning human anatomy, allowing trainees to practice surgical techniques and procedures on a realistic model.

21 November 2024

- 15:00** Welcome and opening of the Course
Prof. Matteo Cescon
- 15:15** The Anatomy Center of Bologna
Prof. Lucia Manzoli
- 15:30** Basic steps and maneuvers
Dr. Roberto Luca Meniconi
- 16:00** Intraoperative navigation by ultrasound and anatomical resections
Dr. Nadia Russolillo
- 16:30** Tea/Coffee Break
- 16:45** Stepwise approach to major hepatectomies
Dr. Francesca Ratti
- 17:15** Principles of parenchymal transection and hemostasis
Dr. Matteo Serenari
- 17:45** Review of Left Lateral Sectionectomy and Left/Right hepatectomy steps
Roberto Luca Meniconi, Francesca Ratti, Nadia Russolillo, Matteo Serenari
Expert comment: Prof. Elio Jovine
- 19:30** Feedback & Close

22 November 2024

- 8:30** The Donation of Bodies for Education & Biomedical Research
Prof. Stefano Ratti
- 8:45** **Keynote lecture**
Tips and tricks in laparoscopic liver surgery
Dr. Somaiah Aroori (Plymouth, UK)
Expert comment: Prof. Matteo Ravaoli
- 9:00** **Cadaver Lab:**
Two groups with a maximum of 3 trainees each will perform different surgical procedures according to their level of preparedness: cholecystectomy, extra/intracorporeal Pringle maneuver, left lateral sectionectomy
- 13:00** Lunch Break
- 14:00** **Cadaver Lab:**
Two groups with a maximum of 3 trainees each will perform different surgical procedures according to their level of preparedness: right liver mobilization, right hepatectomy
- 18:00** Feedback & Close

SCIENTIFIC DIRECTOR

Prof. Matteo Cescon

*Chief of Hepatobiliary and Transplant Unit,
Sant'Orsola-Malpighi Hospital, Bologna, Italy*

COORDINATOR

Dr. Matteo Serenari

Sant'Orsola-Malpighi Hospital, Bologna

TUTORS

Dr. Roberto Luca Meniconi

San Camillo Hospital, Roma

Dr. Francesca Ratti

San Raffaele Hospital, Milano

Dr. Nadia Rusolillo

Mauriziano Hospital, Torino

FACULTY

Dr. Somaiah Aroori

Derriford Hospital, Plymouth, UK

Prof. Elio Jovine

*Chief of Department of General Surgery,
Maggiore Hospital, Bologna*

Prof. Lucia Manzoli

*Full Professor and Chief,
Anatomy Center, University of Bologna*

Prof. Stefano Ratti

Full Professor, Anatomy Center, University of Bologna

Prof. Matteo Ravaoli

Sant'Orsola-Malpighi Hospital, Bologna

GENERAL INFORMATION

VENUE

Anatomy Center

*Alma Mater Studiorum - University of Bologna
Via Irnerio, 48 - 40126 Bologna*

COURSE FEE

Registration fee: € 800,00 (VAT 22% excluded).

For all information, e-mail to: r.suzzi@planning.it

The registration fee includes participation in the scientific programme, coffee breaks, light lunch and dinner on November 21

ORGANIZING SECRETARIAT

PLANNING
